

We traveled to Storm Lake this week for a 9/10 game and were able to come away with our first win 21-6. We started out slow falling behind 6-0 in the first quarter, and that score remained through three quarters. Our drive that started the fourth quarter ended with a 1 yard touchdown run by Cale Paulsen. On Storm Lakes next possession we forced a three and out, and on the punt a couple players blocked it. Ernie Tremblay returned it for a touchdown. Storm Lakes next possession ended with an interception by Charlie Beeck. On our first play Cale Paulsen threw a 25 yard touchdown pass to Luke Ullrich, and made the score 21-6 after Chris Castro's third made extra point. We sealed the game with a Luke Ullrich interception. We will look to continue our momentum at home next week for a freshman game against LeMars.
