

This week was a home game versus Glenwood. Glenwood came out of the gates fast going up 19-0 through one quarter. They got outside on us and used their speed to score. Offensively we couldn't get plays strung together. In the second quarter we finally settled in. Chris Castro came in at running back and got our offense jumpstarted with some hard runs capping the drive off with a 1 yard touchdown. Our next possession, Carson Bruhn caught deep pass that set Cale Paulsen up for a 12 yard touchdown run and made the score 19-14 at half. Chris Castro was 2-2 on extra points in the first half as well. Glenwood ran the opening kickoff back in the second half. Then a couple plays later the game was called for a medical emergency. Tough not getting to finish the game to see how it would have finished but a lot of positives came out of that second quarter.
