3 of the boys qualified for state in the individual competition. Ethan Totten placed 2nd with a series of 695. He had games of 216, 258, and 221. Gavin Schmadeke placed 6th with a series of 620. He had games of 167, 227, and 226. Grant Fink placed 8th with a series of 617. He had games of 211, 160, and 246. Other high games from some of the boys were Adyn Zenk with a 228, Logan Harper with a 196, and Cale Paulsen with a 192. The boys had a battle the first game on lanes 1 and 2. Those were definitely a tough pair to bowl on not by only our team, but the other teams that moved there as well. As the boys knew from years past, you're not done after the first game and anything could still happen. After that 3rd game, Ethan was able to hold that #2 spot. Gavin had jumped up from 13th to 6th and Grant jumped from 23rd to 8th.
