Coach Comments

Really a good game for the first 19 minutes, as it was a two point game. And from there Boone was able to go on a run and we couldn't minimize it. We missed some good looks and they started to turn us over a bit more and we gave up too many easy looks and second change points in the final 13 minutes. A lot of positives and feel like we are trending in the right direction. But still need to find ways to counter punch when teams make runs at us.
