Coach Comments

First game out of break and a little short handed and unfortunately we got off to a bit of a slow start. Then we dealt with some foul trouble for most of the game. But give our kids credit for really competing the last 24 minutes and keep responding to each run that Harlan made at us. We have improved immensely since the beginning of the year and we have a lot more room to get better. With getting back in the routine of going to school and playing two games a week I think is really going to help us out. I am proud of our team's relentless attitude and we are just going to compete our tails off night in and night out.
