**Coach Comments**

Started the 1st quarter down 8-2 and went on a 13-4 run to finish the quarter and had a 5 point lead in the 2nd quarter as we were able to diagnose the Harlan's different defensive looks, unfortunately when they went to a 2-3 zone we weren't able to attack gaps and get the looks we had earlier in the game and we got into an offensive drought a bit in the 2nd quarter on. Which was a bit frustrating because we were able to pick their zone apart so well the first time we played, and this time we just didn't knock down enough shots and take care of the ball well enough to get us some close looks. All in all I was proud of our effort and fight, and even though the win column isn't showing it, we are getting better!
