Coach Comments

Our first conference road trip this year, and after a little slow start we did get our footing a little bit earlier and battled in the first half, after spotting the first 15 points we really outplayed them for the last 12 minutes of the first half. Unfortunately in the start of the 2nd half we had too many turnovers that led to too many points and Glenwood would be able to blow open an 18 point game into a 30 point lead. A lot of positives to take from this game. But we still need to improve on taking care of the basketball and protecting the rim on the defensive end.
