**Coach Comments**

A week without a game, a long road trip, and we are in the midst of finals week, were a lot of reasons we could have laid an egg tonight. And give our guys credit outside of a tough stretch in the 2nd quarter we really put our best 4 quarters of the season together tonight. Defensively we did a much better job of getting them out of a flow offensively with some changing defenses. Offensively when we took care of the ball we got really good looks. Now we just need to knock a few more of those down, and convert at the FT line. Rebounding and getting more 50/50 balls will help us take another step up this season. Proud of the work the guys put in the last week and hopefully we continue to have that same hunger as we go into break and hit the ground running coming out of break.
