Coach Comments

First game with a lot of new guys, and playing very big, strong, and physical opponent in OABCIG probably wasn't the best recipe for success to start the year. Also we have some tough luck shots that didn't fall in the first half. And give OABCIG they were the aggressor and took it to us in the first half. A good learning lesson for our guys and we will get better from this. In the 2nd half we saw what happened when we were the aggressor and matched their intensity and we were able to hold our own a bit more in the 2nd half. Unfortunately we dug too big of a hole in the first half. We will go back to work and get better.
