Postseason play is always a special time of year and a favorite of mine. Everyone is 0-0 and the regular season doesn't matter. Going into the game knowing we were playing one of the best teams in 3A and one of the best players in the state I was curious how our guys would prepare and come out of the gate, and in the first 4 minutes we answered the bell and let Storm Lake know this isn't the same team they played earlier this month. Unfortunately their length, athleticism, and depth wore us down a little bit in the 2nd quarter and we turned the ball over too much and let them get going in transition which led to many easy layups. In the 2nd half Jaidyn Coon, one of the best players in the state just took over and was hitting shots from all over the court and there just wasn't much we could do. And credit to Storm Lake as I think they can truly compete for a state title this year. But I also want to credit our guys, from a tough start to the season, a lot of kids would have jumped ship and threw in the towel, our kids showed up day after day and went to work to get better. Our improvement over the year didn't always equate to more wins, but we really took a leap from beginning of the season to the end. I want to thank our lone senior who went out with an injury right after the holidays, Nash Langenfeld, most kids would have thought well if Nash's play anymore, I am going to hook up and move
