**Coach Comments**

Once again it was good to be back home and in the final conference game of the year as we saw Atlantic for the first time. I was really proud of how we finished the 1st quarter and started the 2nd quarter in the first half. Our defense got stops holding to them to one shot and done and we got in transition and got to the FT line. In the second half Atlantic put a couple different runs at us in the first few minutes of the 3rd quarter but we weather the storm and built a 16 point lead at one time. But in the 4th we didn't value the ball like we should have and allowed Atlantic to creep back in the game a little bit. But we did a good job of stepping up to the line and knocking down free throws down the stretch.
