Comments and Highlights on next page

Comments: We knew going in that St. Albert was very strong and today was going to be difficult. We started off competitively in all three doubles matches before losing momentum. We have improved in our doubles play, but we still need to get better at the net.

Highlights: Grant Fink had a big singles win today. He fell behind early, but maintained his composure to play some excellent defensive tennis. His 10-6 win was a good one.

Adonay Arellano's match was tight until 6-7 and the wheels fell off. He has played solid tennis this week.
