Coaches Comments: I am proud of how we competed with Harlan today. Some of the girls stepped their games up big time to help us win 5-4.

Highlights: Jacee Jepsen and Tayla Brodersen both went 2-0 today. They both won their singles dominantly and in doubles were the aggressors.

Leila Jaime picked up a great win in singles. Her consistent play helped get her the win.

Kacie Schulte and Claire Leinen got redemption in their doubles match beating who they each lost to in singles. There are a fun doubles team to watch.
