**Coaches Comments:** I was very proud of how the team played even with us being down a few Varsity members. Today, we had to figure out how to play in the wind and how to play in close matches. It was a really good learning experience for our young team and I am happy we could end up pulling off the 5-4 victory.

**Highlights:** Kacie Schulte has had an impressive start to her Varsity career. She won two key matches for us. Her forehand and backhands have been looking great.

Mckennon and Tayla also picked up two Varsity wins. They stepped up for us today.
