Comments from the Monarch coaching staff:		
<p>We probably put together our best outing of the season in Logan as we took 9 girls and 7 of them placed in the top 6 of their bracket. Really proud of how we just kept wrestling all day and when we looked up at the end we sat in 4th place as a team. Many of our girls outwrestled their seeds and took it to some girls at a tough tournament.</p> <p>Daniela Salinas was our lone wrestler to make the finals, and the rest of our girls just battled through the bracket all day. That's really how we're going to compete in tournaments without having a ton of top-tier talent at this point. There were a number of matches that we wrestled a complete match and didn't panic as we may have in the past - Gracen majored a girl, Giana overcame a 7-0 deficit in the first round, Angie won in OT, Kasandra threw a headlock down 9-3 to win, Daniela won two close decisions. We're looking to use those experiences to help us as we enter the final stretch.</p> <p>Our message to the girls in these last few weeks is that the play doesn't care who makes it. There's going to be a winner and a loser regardless. They're going to give out medals at the tournament. There will be two state qualifiers at every weight class. The road to state is littered with should've's, would've's, and could've's - so we're looking to leave it all out there, keep staying in matches, and wrestling through positions to give ourselves a chance to make a trip to Iowa City in February.</p>
