Comments from the Monarch coaching staff:

Thought we had a pretty solid showing today at Atlantic after we finished in 7th place with six girls wrestling.

Yarecze Rodriguez and Kasandra Barroso each placed 3rd, Giana Garcia placed 4th, and Gracen Plagge finished 5th. Taylor Walker was able to avenge one of her losses from earlier in the season which was nice to see. Giana Garcia was able to avenge two losses from earlier. Daniela Salinas simply ran into one of the tougher brackets we've seen this season and got a little tough luck by catching the 2 seed on the backside of the bracket and lost to her in OT.

Yarecze Rodriguez became the first Monarch girls wrestler to reach 30 wins in a season. Really proud of how far she has come from two years ago and impressed with how she bounced back from a season-ending injury last year.

We saw good things all around from our girls. We're catching our stride and looking to make a run at the regional tournament to qualify for state next Friday.
