Comments from the Monarch coaching staff:

It was a good night of wrestling and it was nice to see some of our seniors wrestle for a final time at home. Most of those girls came to us two years ago when the sport started and knew absolutely nothing about it. They have put their trust in us and it has been fun to watch their confidence grow over the years.

In terms of wrestling, we went 2-1 in duals - Audubon and Carroll were a little shorthanded and I thought we competed where we could against Hinton. Hinton is a really strong team that will compete for the top spot in most tournaments they're in.

I thought it was a bit of a mixed bag with our technique - we had some good performances and poor ones as well. We really need to stop making some beginner mistakes, especially with our older girls. We need to get to a spot where our best girls are in the lineup throughout and that comes from competition in the room and getting to the right weight classes.

Angie Rivera, Giana Garcia, and Yarecze Rodriguez stood out with their performances.

There is still plenty to work on and we need to build off the positives that we have seen. The cream will start to rise to the top throughout the sport over the next month and we don't want to get left behind with our progress.

We're back in action Saturday at Audubon in a 24-team tournament that is sure to be competitive throughout.
