**Comments from the Monarch coaching staff:**

We took a limited roster to a tough Audubon tournament. We left some girls at home that we didn't feel were quite ready for this type of tournament. The ones we brought competed and we ended up with a few in the placing matches.

Giana Garcia was the highlight from a results standpoint as she finished 3rd and looked impressive in her wins. She has made some real progress in terms of knowing positioning and adapted her style to win in different ways.

Our lighter girls lost a few close decisions that impacted their finishes. Some small adjustments to get wins there probably changes the outlook on the day for them.

Pretty tough tournament from a competition standpoint. You won't find a tougher tournament within an hour from home. We are back in action on Monday with duals against Harlan, Kuemper, and Carroll.
