Comments from the Monarch coaching staff:

I thought we wrestled pretty well tonight. It seemed like we are starting to use the technique that we work on in practice - particularly in neutral position. We started to take some calculated risks and looked to take and finish shots.

Daniela Salinas, Yarecze Rodriguez, Giana Garcia, Angie Rivera, and Gracen Plagge were all 3-0 on the night. I think Giana and Angie have started to be a solid back-to-back duo in the middle of our lineup that we expect to wrestle tough each time out. It was nice to see Yarecze, Daniela, and Gracen have bounce back nights after some tough draws on Saturday.

It was also nice to see some of our youth wrestle tough and use some good technique. Yaretzi Carrizales and Analia Campos both filled varsity spots and they displayed some potential although the results didn't go their way.

We are back in action Friday at Riverside where both JV and Varsity will be competing.
