## **Junior Varsity Results**

•						
Weight	Denison	Opponent	Result			

## **Comments from the Monarch Head Coach: Parker Preul**

We saw some improvements tonight. We did not wrestle our best in the first dual of the night against Underwood. This seemed to be a wake up call for us. We wrestled much better against Red Oak putting ourselves in an opportunity to potentially win the dual. We were leading the dual until the final match. We are a very young team this year and were giving up some weight classes tonight which makes it tough to win duals. However I was very proud of the group of young men for fighting through this and keeping it close. We did pick up our first dual win of the season against St. Albert. This was a very nice step forward and a great way to end the night. We wrestle one more time before Christmas break on Saturday at the Tiger Invotational in Carroll.
