Comments from : Head Coach Parker Preul	
<p>The Monarchs Wrestled a tough tournament this weekend. They did a nice job of battling through tough matches. We overall as a team had 9 placers. It is a good place to start from in my First year as a head coach. A lot of young wrestlers who battled to at least a placing match. This will give us some good ground to work with in the coming years. The Monarchs have one more home dual this year and then it is on to Districts. We need to finish the season strong here on the home stretch. I have a lot of beif in this team in the things that they do well and hope they can start seeing it for themselves.</p>
